

Kindergarten Registration: Parents, the planning process for next school year has begun. We are now accepting enrollment forms for next years Kindergartners. Please contact Dana in our office to enroll next years kindergartners.

2017-2018 Bussing Information: At the start of the 2017-2018 school year there will no longer be a shuttle bus for middle school students from Broadwater to Lewis & Clark. Also, there isn't any bussing for general education students that attend or will attend Broadwater as all of Broadwater's boundaries are within 3 miles of the school.

Box Tops:

Please help us earn money for our school by collecting and turning in box-tops. Box-tops can be found on many General Mills Products. Just cut them off, collect 20 of them, and then send them to school with your student. Your student then can turn them into Mrs. Alpers at the office and earn box of valentines or other February themed prize. Over its lifetime Broadwater School has earned over \$15,000 from BoxTops.

Attendance: *Your child's attendance is an important aspect of their education. Not only is it important for your child to be in school during the instructional day, but regular attendance also encourages life long habits for success. This isn't only true for the beginning of the day, but for the end of the day also. Our teachers value their time with your child and will often use up every last minute of instructional time. So please be thoughtful when you are excusing your students early from class.*

Ask yourself: "Does my child need to be excused early today or is it just convenient?"

A few minutes here and there will quickly add up to hours of missed instructional time.

If your child is ill or will not be at school; please call Mrs. Dana Henry at the front office to let us know.

If you do need to excuse your child from school early you must do it in person in the office. You will need to bring a picture ID with you when you do so.

Messages: *If you must get an urgent message to your child pertaining to how they will get home that day then please communicate that message with Mrs. Dana Henry by phone or e-mail by: 1:15 PM. The delivery of messages that come in later than 1:15 can't be guaranteed.*

Electronic Device Policy-With the exception of Cell Phones, students shouldn't bring any electronic devices to school, this includes but isn't limited to smart watches, tablets, ipods, and laptops. If a student must bring a cell phone, then it is to be turned off and left in their backpack. If a student is worried about their cell phone getting lost or stolen they may turn it into the office before school for safe keeping.
