

Drop off: Students will use the sidewalk on the south side of the building to go to Morning Walk from 7:55-8:10. If students will be utilizing the school breakfast program then they may enter the building through the main entrance between 7:30-8:15; hot breakfast and fruit bar will be served until 8:05, after 8:05 students will receive a cereal bar and milk.

Dismissal: Students will be dismissed from the South East Corner of Campus. Our teachers require students to make contact with whomever they are leaving with before they leave. Please do not be offended if teachers will not allow your child to leave before they make contact with you, this is to protect your child.

Bus Zone: Please do not park in the Bus Loading Zone in front of the school between the hours of 7:00-9:00 AM & 2:00-4:00 PM. These spaces are reserved for our busses and pre-authorized daycare vans. We need to be able to get all of our students into/out of these vehicles safely. I would recommend utilizing the residential parking spaces in the surrounding neighborhood to park and then walk to the south-east corner of campus to meet your child(ren). Kindergarten thru 3rd grade students should be picked up no later than 2:35 and 4th and 5th grade students should be picked up no later than 3:15. After these times, students may be brought into the building and then you may have to park and come in to get them.
