Principal's report- The NWEA Fall 2015 testing results are in. If you would like to discuss them please visit with Mr. Halligan.

Chili night was a huge success. We had approximately 12 volunteers from St. Vincent's, EUMC, Holland and Hart, and community support. We served 498 people! That is up from last year's 404. Construction update- Project completion is scheduled for December 17th. Our goal is to be in the classrooms before the start of Christmas break.

Volunteers needed December 22nd Patty Cakes the clown will be at the school to do performances for our kids. The performances will be from 9-9:45am and then again at 10-10:45am. We are asking for volunteers who could help watch the kids during the performances, giving our teachers a much needed break.
